

For Avocado warranty claims, customers can reach out to our customer experience team directly by calling [657-385-8849](tel:657-385-8849) or emailing support@avocadomattress.com. We'll guide them through the whole process, including filling out the warranty claim form. Once that's submitted, our warranty team will take care of the rest, whether that's coordinating a donation or arranging a replacement.
